

XXVII FIG CONGRESS

11-15 SEPTEMBER 2022

Warsaw, Poland

*Volunteering
for the future –
Geospatial excellence
for a better living*

Finally we will meet again in person

Three years have gone since the last face-to-face FIG event. FIG is determined to bring together our global community.

The FIG Congress is the main 4-year event and the final year of the current leadership, and will offer you:

- 5 special pre-events
- More than 70 Keynote sessions, special sessions and technical sessions
 - Surveyor 4.0: future applications for cadaster, environmental questions, engineering and mining
 - Our profession in and after the pandemic
 - Open data and open access: are these the bullet points of the future roadmap?
 - Surveying competence for other disciplines
- Opportunity to exchange knowledge and experiences
- Meet our sponsors and exhibitors
- Networking opportunities
- Precious non-distracted time
- Explore Warsaw and Poland
- The special FIG Community feeling
