2021 Annual Meeting

23rd September 2021

FIG Commission 7 2022 (or 3) to 2026

Where are we at?

Where should we be going?

What is the point?

1

Building the
global
community

2

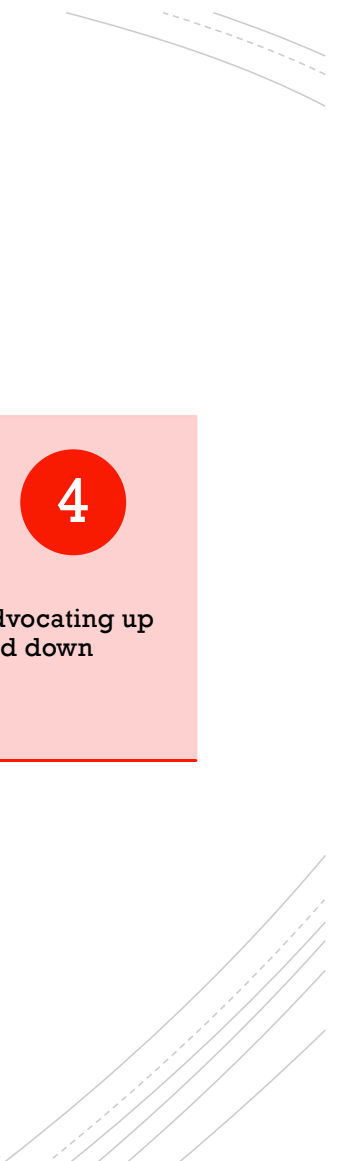

Sharing lessons
between
countries

3

Creating
knowledge
together

4

Advocating up
and down

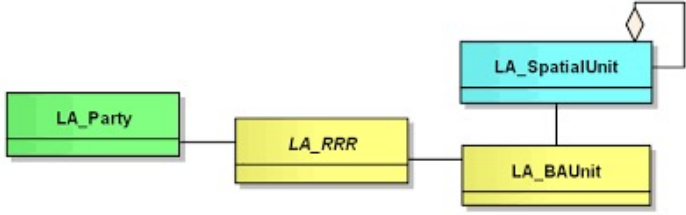

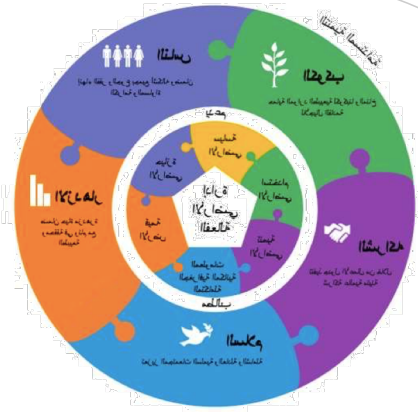

- **SDGs and the 'cadastral divide'**
- **...and a pandemic**
- **Digital transformation ...and disruption**
- **Skills shortage ... gender gap ... equal representation**
- **Corruption...**

Where are
we at?

What have been some responses?

- VGGTs ...Continuum ...FELA
- FFPLA
- LADM and STDM
- 3D and Twins

The background features several sets of curved lines in the corners, some solid and some dashed, creating a sense of motion or flow. A prominent red speech bubble is positioned on the left side of the slide.

Where are we
going?

- We build the invisible infrastructure. **How do we remain relevant?**
- Technology convergence brings new actors in. **How do we foster inclusion, but, also protect quality?**
- **Identity crisis.** Do we need to redefine the 'surveyor'?

What about you?

What do you think?

What are your challenges?

Where would you like us to focus?

Have your say!
