

## CUNOVO – PLACE OF WATER SPORTS

Cunovo is 20 km away from the centre of Bratislava in a direction to Rusovce, state boundary with Hungary. Cunovo fulfils all criteria of sport stadiums of the world level. It provides training possibilities for efficiency water slalom racers and rafting but also for amateur sports-man. This area has Olympic parameters and therefore it is possible to organize here races at the European and world level (in 1997 and 1999 World Championship in Water Slalom, in 2000 Junior World Championship).

For sport competitions serves closed circle consisting of starting pool, two competition tracks, shipping lift and reversible rutting channel.
