

Situation Based surveying

More uniformity and updating in the surveying process

*Fig Working week, may 2015
Paper number: 7623*

Why situation based surveying?

Use resources effectively

Determine relevant measure points

Interpret regulations with changes

More uniformity

Writer: Emma Meeuwsen, Co-writer: Klaas v.d. Hoek, Principal: Wim Boschman

Target Audience

- * Visualise boundary
- * Surveying
- * Maintenance Cadastral Map
- * Archiving
- * Reconstruction

Writer: Emma Meeuwsen, Co-writer: Klaas v.d. Hoek, Principal: Wim Boschman

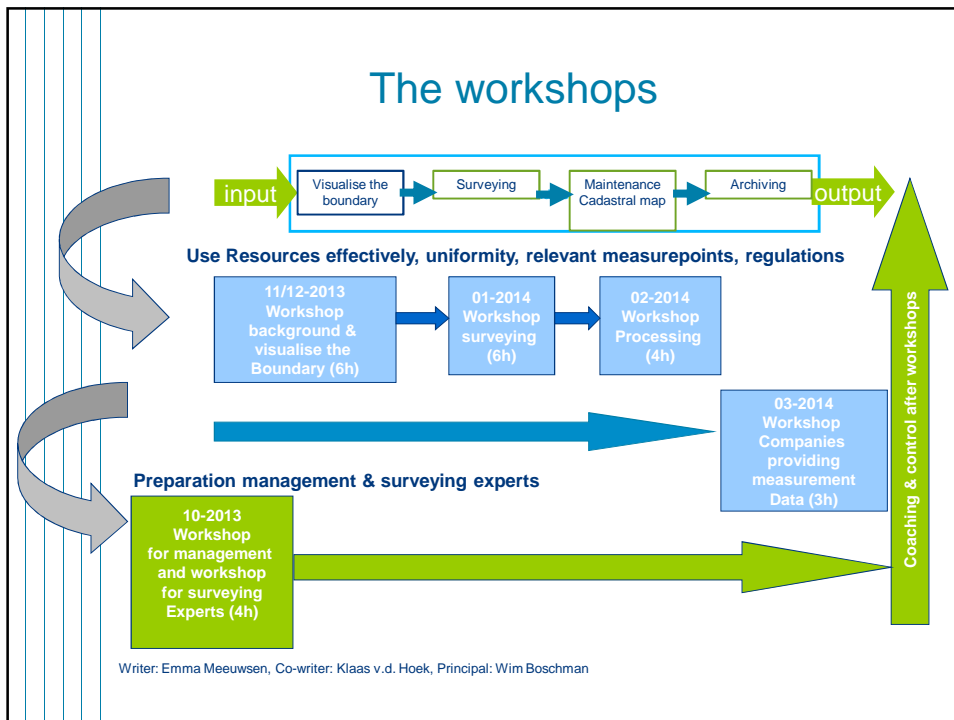

Developing the workshops

- Task
- Trainers
- Training Materials
- Testing
- Time investment

Writer: Emma Meeuwsen, Co-writer: Klaas v.d. Hoek, Principal: Wim Boschman

Lessons learned

*“A journey of thousand miles start with the first step”
Mahatma Gandhi*
